The Inn at the Falls has earned a fine reputation for providing the perfect setting for a perfect wedding. Personalized attention and expert planning, excellent food in a beautiful setting, along with unique accommodations, makes the Inn at the Falls the right choice for your wedding in Muskoka.

The Inn at the Falls is a charming Victorian Inn located in the heart of Ontario's most scenic area known as "Cottage Country". The Inn itself is nestled on the side of a hill overlooking the Bracebridge Bay and Falls, yet is but a minute's walk from the many shops of Muskoka's premier town of Bracebridge. The Inn at the Falls boasts a congenial, village-type atmosphere, and offers a fine selection of accommodation from the traditional to the contemporary.

The Carriage Room, the Inn's elegant main dining room, overlooks colorful English gardens and offers a superb view of the Bracebridge Bay below. The Carriage Rooms' outdoor veranda beckons guests to see why the Inn at the Falls has been voted "The most scenic hotel location in Ontario."

The Parlour, adjacent to Carriage Room, with its pale rose chintz, fine antiques and "egg and dart" log burning fireplace, provides an intimate atmosphere.

If you are planning a smaller dinner reception of up to 20 guests, the Parlour

would be the perfect location. The room rental for the Parlour covers the use of the room for the evening until midnight, napkins, chair covers, and candles.

For a group between 50 and 100 people, The Carriage Room would be utilized. Cocktails would be offered in the Bay area, which affords a magnificent view with its large floor to ceiling windows, or the Private Dining Room, which is an intimate room within The Carriage Room, also surrounded by windows. The room charge for The Carriage Room covers complete rearrangement and set up of the room to your specifications, centerpieces, candles, white napkins and chair covers. For a group numbering between 80-100 people, both The Carriage Room and The Parlour would be used. Cocktails and hors d'oeuvres would be served in the Parlour, later adjourning to The Carriage Room for dinner and dancing.

We will be happy to recommend a variety of DJ's, a florist who specializes in bridal bouquets, wedding cake designers that offer a variety of unique wedding cakes that are sure to please any palate, hairdressers who have the patience to do their very best for your special day and a limousine service to get you to the church on time!
